SHEET NO. 17-22

Compiled on July 20, 2008 by photogrammetric methods from color aerial photographs dated April 3, 2008 at a scale of 1" = 300'. Ground Control and Triangulation supplied by James W. Sewall Company and is Connecticut State Plane NAD83 Feet and vertically NAVD88. This map meets National Map Accuracy Standards for 1" = 40' maps with 1' contours. Standard procedure dictates that photogrammetric maps be field-checked prior to use. In areas which are obscured by vegetation or physical features, contours and details may only be approximate. Dashed contours represent obscured areas.
